STORTI CO L'ORO VERTICAL MIRROR

\$6,840

DESCRIPTION

This superb mirror is part of the Storti collection, from the Italian word for bent, hinting at the sinuous frame that graces its asymmetric silhouette. The frame, crafted of mouth-blown Murano glass, features a striking texture and a silver finish that accents the edges in gold. Each piece curls at the edges and a small flower is applied to give a charming touch to this dynamic piece.
