STRAMBOTTO TACON VENETIAN GLASS SCULPTURE BY ELIANA GEROTTO

\$2,730

DESCRIPTION

Quirky and whimsical, Strambotto Tacon is a unique take on Venetian tradition, with a quizzical expression. With a white glass body featuring blue and green stripes, the piece rests on flower-shaped feet adorned with glistening gold leaf. Topped off with a head, raising an eyebrow in disbelief, the piece is a true collector's item.
