STRATIGRAFICA SERVING PLATED BY GUMDESIGN

\$410

DESCRIPTION

A magnificent object of functional decor by GumDesign, this set of five serving plates is a modern sculpture entirely crafted by hand using traditional methods and the finest marbles. The plates can be stacked on each other creating various elegant combinations in black Belgio, green Guatemala, Bardiglio Imperiale, Venus, and pink Portogallo marble. Other precious stone types are available upon request, please ask the Concierge for options.
