STRATOS LEATHER COFFEE TABLE

\$6,680

DESCRIPTION

Impeccably handcrafted and fully covered in mocha leather (suede for the base and nappa for the double top), this coffee table of the Stratos Collection by Stéphane Parmentier is a testament to the unparalleled craftsmanship and finest materials that distinguish Giobagnara's designs. The supple texture of the leather softens the rigid geometry of the silhouette that boasts a cubic minimal shape of harmoniously balanced proportions.
