STUART 6-LIGHT CHANDELIER #2

\$1,810

DESCRIPTION

Modern and sophisticated, this chandelier effortlessly incorporates luxurious details with the clean lines of its silhouette. The metal structure displays an exquisite polished nickel finish that complements the balanced proportions of the six arms extending from the conical cup with spherical finial. The bobeches have a half-globe shape (version with full-globe is also available) and are crafted of transparent glass with a subtly hammered surface that infuses refined luminescence to any interior. The lightbulbs are E14 max 42W.
