STURGEON CENTERPIECE

\$34,620

DESCRIPTION

This sumptuous piece is entirely made in silver and will enrich a dining table or entryway with its superb craftsmanship and sophisticated details. This centerpiece is specifically designed to hold a caviar jar, which can be stored in the top pocket internally finished in gold. All around it, a vividly rendered sturgeon is depicted in all its details with scales, fins, and teeth all masterfully executed. This piece of functional decor is a true work of art.
