STYLIZED FLOWERS SMALL SIDE TABLE

\$1,980

DESCRIPTION

This side table is part of a series by Reloaded Design that re-interprets the traditional three-legged table by adding striking decorative elements, transforming it into a modern object of functional decor. In this case, the squared top is adorned with stylized flowers to create an abstract pattern that is elegant and timeless. This piece is versatile and unique and can be placed in the living room as a side table, in the entryway as an accent piece, or in the bedroom as a nightstand.
