Paola Paronetto

SUFI POWDER PINK SUSPENSION LAMP

\$450

DESCRIPTION

The Sufi lamp, belonging to the Cartocci collection, is an original ceramic design piece. With its stylized shape, the lamp features a cylindrical form with a short neck in powder pink, perfect for decorating any corner of the house. Adding natural fibers to a base of ceramic mixture, the ceramist, Paola Paronetto, creates a series of decorative objects with fascinating texture. Every one of Paola Paronetto's creations is unique. Slight variations in shape, colour and size are to be considered a guarantee of authenticity and value. They are finished with non-toxic satin-finish enamels. Although very rarely, it is possible for them to leak after long periods of exposure to water. It is therefore advisable to test their water resistance before using them on delicate surfaces. They should not be used as dining utensils. The white pieces can be washed with water or sanitizing products, whereas the coloured pieces must be treated more gently and cleaned with a feather duster or a soft cloth, dry or moistened very slightly with water.
