**SUITE SIDEBOARD**

**\$15,870**

## DESCRIPTION

Rigorous forms and various color hues interact with each other to create a design with an original and refined style. The rectangular plywood structure, raised on a plinth baseboard, has a myrtle burl veneer with brushed gloss finish and supports a large Emperador marble top. The four front doors have rectangular burnished brass handles, as the two top drawers are upholstered on the outside with grosgrain design leather (in the picture: Clayton lumiere 1639) and fabric inside.
