SULTAN COLLECTION PLATE #15

\$77

## DESCRIPTION

Inspired by the Ottoman culture, this ceramic plate depicts a lavish portrait of an Ottoman Sultan whose distinctive headdress, bold central jewel, and stoic visage add to the piece's mysterious allure. Best displayed with the other five of the collection to evoke the majesty of the Ottoman Empire, the set makes a splendid housewarming or wedding gift. This plate can also be paired with others from the same series enliven a dining table on special occasions or can also be displayed on a wall or china cabinet to bring a sophisticated accent in a classic interior.
