SULTAN COLLECTION PLATE #5

\$77

DESCRIPTION

This plate of exquisite hand-craftsmanship is made entirely in ceramic and features a hand-applied portrait of a Sultan from the Ottoman empire. The Sultan collection pays tribute to members of royalty of the famous empire. The Sultan depicted on this plate is set in a dark background for a mysterious effect. This exquisite work of art can be displayed among others from the same collection or it can have a dual purpose for serving food as it is food safe.
