SULTAN COLLECTION PLATE #8

\$77

## DESCRIPTION

This ceramic plate was crafted entirely by hand and then a portrait of Sultan Selim III was hand applied to its surface. The exquisite and vibrant portrait features the Sultan in all his royal attire, paying homage to him as well as to its famous empire. This plate can be used for serving food and can also serve a second purpose as a decorative element adding a touch of luxury to the home. This collection can be displayed together or each piece can be displayed separately.
