SUN AND MOON: LIGHT AND SHADOW DECORATIVE PLATE

\$3,960

DESCRIPTION

Masterfully crafted and painted by hand, this one-off majolica plate depicts the classic sun in his glory, whose graceful women's features are crowned by a luscious mane of wavy rays. Half profile boasts warm hues of red, orange and yellow, representing the sun, while the other displays cool tones of light blue, cobalt and gray symbolizing the moon. The lustrous gold details are integrated with a third firing that keeps the richness and precision of the design intact. This stunning plate can be showcased as a centerpiece or displayed on a wall of a rustic kitchen or countryside home.
