SUN DROPS CONSOLE BY CARLO RAMPAZZI

\$14,815

DESCRIPTION

Hypnotic in its singularly playful personality, this console flaunts a dripping design tracing the juicy edge of the tabletop, crafted of deftly carved wood and boasting a mesmerizing finish of glossy, sun-yellow. The L-shaped, sleigh legs in solid iron are finished in black for a sober yet intense statement rebalancing the vibrancy of the top lacquered in Illuminating Yellow hue by Pantone.
