## SUNRISE TABLE LAMP

\$2,630

### DESCRIPTION

Traditional materials and a contemporary design create a timeless piece that will enrich any decor. This table lamp is part of the Sunrise collection, introduced at Milan Design Week 2018. Its metal structure is minimalist and sophisticated, adorned at the base with a ceramic element with a crackled enamel finish in a delicate shade of turquoise. The top is adjustable and equipped with a shade in polycarbonate that has an ice-like effect when lit.
