SUNSET TALL LAMP

\$5,190

DESCRIPTION

An eye-catching addition to a contemporary or modern decor, this tall table lamp is a unique piece of functional decor that provides a room with light, coming from OLED by LG panels, and an exquisite decoration, thanks to its brushed brass structure comprising a base and a large rectangular panel. Introduced at Milan Design Week 2018, this colorful and sophisticated silhouette is dynamic and boasts a delicate color palette that on one side features warmer tones, on the other cooler shades.
