**SUPERONDA POIS SOFA BY CRISTINA MOROZZI LIMITED EDITION**

\$9,180

## DESCRIPTION

Distinguished by a captivating magenta polka dot motif, this sofa is a new, iconic design by Cristina Morozzi for Massimo Morozzi, celebrating the 15th anniversary of Superonda, a bold symbol of anti-design first conceived in 1967 by the Florentine radical group Archizoom. Designed without a conventional frame, it is made of a block of polyurethane cut in two wavy pieces that can be combined in different configurations. Upholstered with a polished PVC-coated fabric.
