SURO WITH MURANO26 DOGE TABLE LAMP

\$570

DESCRIPTION

Suro is a LED lamp equipped with wireless charge technology. The touch button allows the regulation of the light intensity and the setting of the two light surfaces. The protection index IP66 makes Suro a water-resistant lamp, perfect for indoor and outdoor spaces. The Suro lamp is combined with the "Doge" version of the Murano26 vase, made of red glass, which transforms the lighting device into a beautiful and elegant table lamp, perfect at home or in bars and restaurants.
