SUSHI KART 4 GREYS DARK CART

\$3,040

DESCRIPTION

This elegant cart is inspired by the timeless Japanese design with its sophisticated tradition and modernity. It was designed by Lorenza Bozzoli and made in MDF (Medium Density Fiberboard) with a tower-like structure made of four trays in tinted glass. Each tray features a different shape, size, and shade of grey. The metal of the handles, the four wheels, and the bottle holders have a gold finish. Modern with a touch of vintage charm, this cart will complement any decor.
