SUSHI ROUND RUG BY ESTUDIO CAMPANA

\$8,430

DESCRIPTION

Expertly hand-tufted by Indian artisans, this circular rug is a bold dance of colors and forms, the vibrant streaks of pink, purple, blue, and yellow hues coming together to reveal dynamic geometric forms. The rug's profile and irregular edge highlight its dynamic tension, giving the illusion of colors escaping their two-dimensional frame. This design by Estudio Campana has a diameter of 300 cm with a 10mm-high pile.
