## SVEVO INDUSTRIAL CHAIR

\$830

### DESCRIPTION

Part of the Svevo Collection that combines the linearity of the iron structure with the warmth of the wood, this stylish chair is entirely crafted by hand with utmost attention to detail. The inner square sections of the seat and open backrest are made of solid walnut wood, whose warm color and texture contrast with the black-finished iron frame. The sleek design of this captivating chair will provide a unique allure to any modern interior. Wood and metal color can be customized upon request, ask the Concierge for availability and cost in the selected option.
