SWAN TALL ROUND SIDE TABLE BY GIUSEPPE CHIGIOTTI

\$19,800

DESCRIPTION

Elegant and modern, the sophisticated silhouette of this side table designed by Giuseppe Chigiotti is part of the Swan collection and evokes the elongated neck of a swan, hence the name. Either alone or displayed in a living room with the other two items in the series for a dynamic effect, this will be a striking addition to a modern home. Made of Carrara marble and shaped by a seven-angled robot cutter, this piece is made up of two parts marked by a metal insert. The top is ~ 50 cm, while the base is ~ 37cm. Other marble types can be used, please ask the Concierge for details.
