FURNITURE : SEATING

*Hebanon Fratelli Basile*

**SWEDEN TABLE**

\$6,240

## DESCRIPTION

This elegant table, designed by the architect Roberto Cappelli, has the minimalist elegance of the mid-century industrial Swedish design. The precious materials used for the structure, Brazilian rosewood and oak, are mixed with the innovative Fenix, a super-opaque new material designed in Italy using nanotechnologies for a state-of-the-art performance.
