SWING LARGE CONSOLE

\$6,790

DESCRIPTION

The perfect piece to showcase in the entryway of a luxurious and sophisticated interior, this large console is characterized by a combination of refined materials and techniques. Boasting a polished chocolate-brown finish, the structure is crafted of solid wood and plywood and is marked by four legs golden-lacquered metal. A thick wooden base adorned with a pleated pattern and a central drawer with a metal handle sustains the refined marble top, adding an elegant accent to the piece.
