SYMPLE MEDIUM PINK PLANT STAND

\$360

DESCRIPTION

A superbly sculpted element of functional decor, this vibrantly colored plant stand will make an astonishing impact in any contemporary indoor or outdoor space. Featuring a tripod-style base, the piece features three round trays for plants or flowers along with an additional round tray atop a central slender stem. The powder-coated, matte-pink finish creates a distinctive colorful accent that complements the plants' greenery. Part of the Symple Collection, this piece can be combined with the taller variant from the series, and is also available for customization in a wide variety of colors.
