T-DOUBLE TABLE LAMP

\$3,000

DESCRIPTION

Similar to the T-Bubble design, but featuring one hand-blown glass globe and one grooved-glass cylinder, this sophisticated table lamp will add a modern touch to any home office or bedroom decor. The chrome-finished stem with two adjustable branches rests on a round base of black Marquina marble handworked by skilled artisans from Pietrasanta, Tuscany. A braided calfskin leather hoop at the tip of the glass globe conceals a sensor dimmer switch. Equipped with proprietary LED integration, light source 24V LED 8W (70W equivalent) and transformer 100-240V.
