T02 PINK COFFEE TABLE BY SUPERSTUDIO

\$2,820

DESCRIPTION

Designed by Superstudio as a must-have component of the Sofo Collection of modular seating solutions, this stunning coffee table boats an absolutely low profile of incredible charm. The vivaciously pink-colored top is fashioned of laminated plywood and rests on four spherical feet in turned and black-varnished beechwood. This piece was chosen by Adolfo Natalini and Cristiano Toraldo of France for one of their most iconic self-portraits.
