T33 ARMCHAIR BY FRANCO ALBINI

\$14,144

DESCRIPTION

Merging functionality and aesthetic in a veritable work of art, this clean and essential armchair was selected at the XXVI Compasso d'Oro Award and won the ADI Design Index 2019 alongside the sofa from the same series. First designed in 1933 by Franco Albini, it displays an interplay of geometric volumes, of heavy and light forms in the combination of a sleek metal frame and padded and upholstered seat with backrest. Please ask the Concierge for customization options.
