TABOU DECORATIVE WALL SCULPTURE WITH BLACK FRAME #6

\$2,420

DESCRIPTION

Defined by luxurious simplicity and a captivating design that merges Space Age style with tribal inspiration, this wall sculpture will be the focal point in a modern and contemporary interior. Entirely crafted of leather, the frame is in black nappa and the abstract interior design in suede. Playing with a basic palette and simple geometric shapes, a small black circle and a larger white one combine on a beige background with two stripes, one in black and another ocher, while a black rectangle with a red quarter circle sits in the lower corner.
