**TABOU DECORATIVE WALL SCULPTURE WITH WHITE FRAME #6**

\$3,295

## DESCRIPTION

Providing any room a finished and polished presence, this wall sculpture is an exclusive design by GioBagnara, made entirely of leather in a rectangular shape. Available in a limited series of abstract patterns in soft suede and with a black or white frame fashioned of nappa leather, this piece displays a beige background with an array of geometric shapes in brown, ocher, white, and black reminiscent of modernist abstract art. This wonderful collector's item will make a well-received gift for any occasion.
