TAILOR REGULAR GREY TABLE LAMP WITH WHITE CARRARA MARBLE BASE

\$395

DESCRIPTION

A revisitation of the traditional abat-jour silhouette reinterpreted with modern sensibility, this lamp features a rigorously minimal look that combines a white Carrara marble base with a clear methacrylate structure. The natural linen lampshade, enclosed in bi-cast methacrylate, diffuses the light evenly with reflections that bounce on the surface of its transparent body with prismatic effect. Versatile and innovative, this lamp exudes timeless charm and will add an appealing touch on a bedside table or on a table or desk in a living room or office decor.
