TALL ANGULAR CREAM VASE BY MAX LAMB

\$785

## DESCRIPTION

This striking vase in ceramics features a tall and slender rectangular shape and is covered with a dynamic textured surface featuring deep grooves which run in a zigzag pattern from the top of the piece to the bottom. The large square opening at its top make it ideal for holding large flower arrangements. When standing alone, or when placed among other Angular vases from the same collection, this piece will make an elegant statement.
