TALL BRASS CANDLESTICK

\$470

DESCRIPTION

Used to adorn a modern dinner table or an entryway console, this striking candlestick will bring contemporary charm in any interior. The sleek and elegant silhouette evokes an irregular hourglass, with the two cone-shaped elements connected at the top, deftly hand forged of brass and finished with a polished nickel plating. Available also in a smaller size, the pair can be displayed together for an eye-catching high-low look.
