TANGO TABLE LAMP

\$1,160

DESCRIPTION

Rising from a polished chrome base, this table lamp provides ambient light in an Art Deco-inspired design while being a wonderful decorative element. The round base and cylindrical stem support an egg-shaped white shade of hand-blown Venetian glass held in place by a metal string knitted by hand in a crisscross pattern. Teardrop pendants of black Venetian glass embellish the ring at the base of the glass shade holding a single E14 max 5W lightbulb. This exquisite piece is also available with polished gold finish and white or amber glass pendants.
