TANGRAM BRAIN TEASER IN MARBLE

\$250

DESCRIPTION

A stunning object designed by Enrico Venturini that engages both intellect and creativity to compose geometric figures with the pieces provided, the Tangram brain teaser is a must-have when entertaining friends at home. This piece is a sophisticated and refined version of the original wooden Tangram and is uniquely fashioned of white Statuario marble showcasing delicate gray veins. This Tangram can be customized in color and shape based on the availability of marble, please ask the Concierge for details.
