TANNED JEWELRY BOX

\$625

DESCRIPTION

This sophisticated object of functional decor is entirely handmade and is a magnificent addition to a modern bedroom vanity or classic powder room. The wooden structure is covered with vegetable-tanned orange Tuscan calfskin and lined inside with natural-tanned dark blue Tuscan suede. Both functional and striking, this piece is equipped with brass hardware and an interior foam pad and acid-free paper and cardboard. The seal is achieved using blind lettering and blind tooling.
