TAROT CARD THE JUDGMENT SET OF 2

\$110

DESCRIPTION

This superb replica of the medieval tarot cards of Visconti di Modrone will be a bold accent in a traditionally-styled home. Fashioned of Murano glass, this tarot card depicts Judgment, a Major Arcana card that is a reminder of the power we hold to make the changes we want for ourselves. Distinguished for its rich details and colors, the cobalt-blue sky and lavish red bed are enhanced by gold accents and a golden frame. Symbolic of a powerful moment liberation from inner conflicts, this piece will be a stunning addition to a medieval art collection. Designed by Paolo Maria Russo for Vetrofuso-Daniela Poletti.
