DESCRIPTION

Expertly rendered in Murano glass, this tarot card of the King of Swords is a replica from the medieval tarot deck of Visconti di Modrone. The King of Swords calls us to be diligent listeners, ask penetrating questions, and act as a mediator in search of truth. Depicted as a King in silver and black battle armor sitting on a throne against a gold background, his musing countenance befits his wisdom and mastery of adjudication. A testament to medieval wisdom and traditional craftsmanship, this dynamic card is a perfect gift for a scholar or aficionado of Medieval history. Designed by Paolo Maria Russo for Vetrofuso-Daniela Poletti.
