Le Porcellane

TARSIA BLACK AND PLATINUM TABLE LAMP

\$1,320

DESCRIPTION

Sophisticated lines and luxe materials lend an iconic quality to this sculptural table lamp resting on a transparent, footed base. A symmetrical and prized platinum pattern stands out from the elegant black porcelain frame whose sides slightly curve outwards. The distinct geometric flair inspiring this design is echoed by the white fabric lampshade towering above that houses a single E27 max 100W light bulb.
