## TARTAN LARGE BLUE GREEN AND WHITE VASE BY PAOLA NAVONE

\$585

### DESCRIPTION

Paola Navone has created a vase defined by energy and dynamism for her One-More collab with Corsi Design Factory. Opaque stripes of green, white and grey overlap against a blue background for a 21-century take on traditional tartan plaid. Made from soft resin, the item seems to defy gravity, as its fabric-like drapery remains suspended in time and space. Each piece is handmade so colors may differ slightly from the image shown.
