TARTAN LARGE PURPLE AND BLUE VASE BY PAOLA NAVONE

\$590

DESCRIPTION

Award-winning creator and legendary icon of the Italian design world, Paola Navone, created this dynamic vase as part of her One-More collection for Corsi Design Factory, famed for its innovative, boundary-pushing use of resin. The drapery of tartan fabric is recalled in this item's flowing form, which is rendered unique through the inclusion of air bubbles and other imperfections. Each piece is handmade so colors may differ slightly from the image shown.
