TASTE-VIN CUP BY TOBIA SCARPA

\$950

DESCRIPTION

Designed by architect Tobia Scarpa in 2004, this cup was crafted of pure 999/1000 silver. Thanks to its characteristics, this exquisite cup is ideal for wine tastings: the excellent purity of the material that is neutral to taste and smell the oval silhouette of the bowl, enriched with concave and convex semi-spherical elements at the bottom to ensure the optimal evaluation of wines and the brilliance of silver that highlights the color of the wine. This unique object is a stunning addition to any home and will be a precious gift for any sommelier.
