TATO PURPLE POUF BY DENIS SANTACHIARA

\$470

DESCRIPTION

Dynamic and versatile, this pouf is an iconic design by Baleri Italia available in modern colors that can be used as an unconventional seating or arranged in customized compositions to create a colorful focal point in a contemporary living room, children's room, or office. Showcasing an egg shape covered in purple bi-stretch fabric, this pouf is made of CFC-free, flexible polyurethane reinforced with a rigid internal structure. Available in other colors and two types of fabric upon request.
