TATONE LIGHT BLUE POUF BY DENIS SANTACHIARA AND ENRICO BALERI

\$850

DESCRIPTION

Made entirely of CFC-free, cold-processed polyurethane, the Tatone pouf has an internal rigid insert to maintain the structured shape without compromising comfort. The generous round silhouette will easily sit two or more people and is embellished with a tufted button. The removable cover is fashioned of light blue bi-elastic fabric and fixed to the frame with two lateral slits. Available in several colors to adapt to any interior, this pouf will add an ironic and playful accent to any interior, from living room to children's room, and even contemporary office spaces.
