Les Ottomans

TAWUS SQUARE PLATE

\$60

DESCRIPTION

An artful play on traditional tableware designs and decorations, this porcelain plate from the Tawus Collection designed by StudioPepe for Les Ottomans boasts a circular shape with a blue-green background that is overlaid with a dark blue hexagon. The resulting motif reveals a dimensional surface of great visual allure that will enliven any table and can be arranged with other plates with the same color palette, showcasing different designs to create an eclectic look.
