BLUE PALET WALLPAPER

\$1,320

DESCRIPTION

Classy and highly evocative, this artisan wallpaper blends stripes in solid shades of teal with patterned sections enriched with sultry floral motifs in the same color palette. This fireproof-certified design is available on different print supports, ranging from canvas, fiberglass acoustic (3 mm thick), plywood (5mm-thick), or composite aluminum (3mm thick). Handcrafted to adorn walls, furniture, or curtains, it is available in different dimensions. Please contact the Concierge for customizations and pricing.
