TECLA BLACK DOUBLE CHAISE LONGUE

\$7,350

DESCRIPTION

This stunning double chaise longue is an invitation to relax under the sun or in the shade, with a good book or with a drink. This piece will make any occasion a special one, thanks to its elegant silhouette and the comfort of its structure. The frame and two front legs are in aluminum with a coating in epoxy powder in a dark brown hue that complements the two back wheels and slats in solid wood with a natural finish and protective, outdoor-friendly finish. The light grey cover of the cushions is in outdoor fabric, which is UV-resistant and waterproof. Other colors are available.
