TECLA WALNUT AND IRON CABINET

\$19,180

DESCRIPTION

The graceful iron structure supports two walnut wood cabinets that evolve vertically and horizontally. The cabinet on the left is outfitted with shelves, while the cabinet on the right is a single compartment opening downwards, with a flap door. This item was produced and edited by the Milanese gallery Post Design which belongs to the historic brand Memphis. This is a numbered and limited edition of 25 signed by the artist. Metropolis Collection.
