### TECLA WHITE SINGLE CHAISE LONGUE

\$3,840

#### DESCRIPTION

Combining traditional and new materials, functionality and design, this outdoor chaise longue will be an instant favorite at poolside or on a sundeck. The sophisticated silhouette comprises two back wheels and seat slats in solid wood with a protective coating that is weathering-resistant. The two front legs and frame are in epoxy powder-coated aluminum with a stunning white lacquer finish that strikingly complements the warm hue of the wood and mirrors the upholstery of the cushions in a waterproof and UV-resistant fabric. Other colors are available, please ask the Concierge.
