TEMPIETTO DECORATIVE BOX N.8

\$960

DESCRIPTION

This elegant container is part of the Scatole e Templi Collection. Translating in English with "Boxes and Temples," this series comprises handmade pieces that celebrate an everyday object like a box, elevating it to the conceptual value of a temple. Its practical use and superb craftsmanship create an objet d'art to display in a modern or eclectic interior. Its structure comprises two volumes, reminiscent of a building, with small opening evoking doors and windows, and slats of different solid woods (mainly walnut and cherry) that create a striking texture.
